Support vehicles are not allowed to pace their riders back to the team under any circumstances and no riders may ride in a car's slip.

Any rider caught behind a car will result in the team's disqualification. Only 1 support vehicle per team.

Support cars are to remain at least 20m behind the bunch. Have your hazards on at all times.

Support car drivers need to be aware of their surroundings and all cyclists at all time.

If a cyclist and/or a support car need to stop for any reason, please ensure that you move completely off the road.

As a safety precaution, support vehicles are not allowed to drive next to a bunch to communicate with a cyclist.

Availability of support vehicles are the teams own responsibility and not that of the WPP Committee.

Cyclists must feed at the back of the bunch only. Feeding on the side of the bunch is prohibited. No feeding on First and Last Lap allowed.

Gear restrictions will apply and spot checks will be done for all categories Junior and younger.

Cyclist may not slip from another start group, only in their own start group. (THIS APPLIES TO TEAMS AS WELL)

Cyclist are not allowed on track/route for fun or social riding after finishing the race.

Earphones are not permitted during a race. Failure to adhere to this will result in DQ.

Traffic rules are to be obeyed at all times.
